During the fiscal year 1955 and 1956 the Security Control Staff proposes to refine, improve and advance its continuing responsibilities including the following:

- To constantly strengthen and improve security policies and procedures on matters of mutual concern to CIA and other security agencies of the government by continuing study, analysis and consultations with executive personnel of other Federal Government Agencies.
- To improve and implement overall security policies for the collection and dissemination of intelligence information and classified material by appropriate modifications of existing policies when deemed necessary and advisable as a result of continuing study.
- To periodically review over-all security regulations for the control of internal security practices and to consistently develop an improved and strengthened security structure.
- To work with Security Officers of other agencies to achieve, on a cooperative basis, a high degree of security in inter-departmental activities involving classified information.
- To review Agency regulations to insure consistency with or implementation of United States policy and/or compliance with Executive Order.
